As long as Interest is charged on Advances by the Society, as at present, it is estimated that payment of Subscriptions at the above rates would mature Shares in 14½, 10½, and 8½ years respectively. **Deposits.**—Sums of £10 and upwards are received *on deposit* for such periods and at such rates of Interest as may be arranged.

## LOANS.

Loans are granted on Security of House Property at 5 per cent. repayable by means of Shares.

OFFICE.....352 KING STREET, ABERDEEN.

*Property and Funds.*

These consist of all the property, funds, and estates formerly belonging to the Governors of Robert Gordon's College and the Aberdeen Educational Trust excepting the buildings and grounds of Robert Gordon's College, Gray's School of Art and the Educational Trust, and heritable property in Blackfriars Street and Woolmanhill, Aberdeen,

together with certain educational bequests, transferred to the Governors of Robert Gordon's Technical College. The gross revenues amount to a sum approaching £14,000 a year.

*Application of Revenues.*

The revenues are applied as follows:—

(a) In maintaining and providing free education (with books and stationery) for 120 boys, called "Robert Gordon's Foundationers." Twenty-nine foundations are available annually, 19 being given by the votes of the Trustees to boys between 11 and 12 years of age who pass an entrance examination, while ten foundations are awarded by open competition to boys over 11 and under 12 years of age;

(b) In maintaining and educating 60 girls, called "Endowment Foundationers." These are children who have lost either parent or both parents, and whose surviving parents or guardians are unable to maintain and educate them without difficulty, and are not in receipt of parochial aid. The foundations are divided into two classes—"Outdoor" and "Indoor." The "Outdoor" foundations are open to girls not under 10 nor over 12 years of age. The foundationers receive free education (with books and stationery) at a public or State-aided school, and an annual sum for their maintenance and clothing. The "Indoor" foundations are open to girls not under 10 nor over 14. The foundationers are maintained in a Home (Sunnybank House, Sunnybank Road, Aberdeen) until they attain such age, not exceeding 16, as the Trustees may determine; and they receive free education (with books and stationery) and training in the School of Domestic Science, with a view to their entering upon domestic service;

(c) In maintaining and educating children (boys and girls) of seafaring persons residing in Footdee, Aberdeen, called "Davidson's Free Scholars." These free scholars are of two classes—(1) children under 10, and (2) children over 10. Those of class (1) receive free education (with books and stationery) at a public or State-aided school until they reach 10. Those of class (2) similarly receive free education (with books and stationery) until they reach 14, and, in addition, an annual sum for maintenance and clothing;

(d) In providing bursaries called "Robert Gordon's Bursaries." These are of two classes (1) "Presentation" and (2) "Open Competition" (only boys residing with their parents in Aberdeen are eligible for these bursaries). Those of class (1) are open to boys over 11 and under 12 years of age who pass an entrance examination, and whose parents or guardians are in receipt of weekly wages or belong to the labouring classes, or who are orphans in necessitous circumstances. Twenty-seven are awarded annually and are tenable till the holders attain 15 years of age. Forty-three bursaries are awarded annually in class (2), ten of which are awarded to boys over 11 and under 12 years of age and are tenable for three years, with free education, and in addition, an annual sum for maintenance. The remaining thirty-three bursaries entitle the holders to free education for one session, and are awarded annually in open competition to boys over 12 and under 16.

(e) In providing bursaries called "Grammar School Bursaries," which include "MacRa Bursaries," tenable at the Aberdeen Grammar School. These are divided into two classes—(1) for boys already attending the Grammar School, and (2) for boys attending State-aided schools in Aberdeen. Class (1) consists of two bursaries, awarded annually by competitive examination among boys requiring aid in completing their education. Applicants must be pupils in Classical IV. and Modern IV. of the Grammar School, and successful competitors will be required to attend during the two sessions which complete the school curriculum. In class (2) not less than three bursaries for higher education, tenable at the Grammar School, are awarded annually by competitive examination among boys between 12 and 13 years of age whose parents or guardians require aid in providing them with higher education. One of the total number of bursaries thus awarded are reserved for boys qualified, in the opinion of the Trustees, to avail themselves of the education given at the Grammar School who shall satisfy the Trustees that they are lineal

descendants of *Alexander MacRa of Inverinet*, the great-grandfather of the deceased *Alexander MacRa, Ironmonger in Bristol;*

(f) In providing bursaries called "Public School Bursaries." These are awarded by competitive examination among scholars attending public or State-aided schools in Aberdeen who are not under 12 or over 13 years of age, and whose parents or guardians are in such circumstances as to require aid in giving such pupils higher education. The bursaries may be tenable for two years at public or State-aided schools in Aberdeen or at Robert Gordon's Secondary School;

(g) In providing free scholarships for boys and girls whose parents or guardians are in such circumstances as to require aid for providing elementary education, but are not in receipt of parochial relief. These scholarships, which are tenable at public or State-aided schools in Aberdeen for elementary education, are administered by the Aberdeen Education Authority.

(h) For providing bursaries and scholarships, called "Aberdeen Endowments Trust Bursaries and Scholarships," for students attending the evening schools of the Aberdeen Education Authority and Robert Gordon's Technical College, an annual sum of £100 is allocated by the Trustees in the proportion of one-third to Education Authority students and two-thirds to Technical College students, to be awarded by the Trustees on the nomination of the Authority and the Governors respectively;

(i) For the purchase, preparation, and serving of free meals, and the providing of clothing by the Education Authority of Aberdeen to necessitous children attending public or State-aided schools whose parents or guardians are resident in Aberdeen, the Trustees pay to the Authority an annual sum of £1,400;

(j) For behoof of the widows of white fishers and pilots in Footdee who may have perished at sea or by any of the accidents to which such persons are exposed while following their calling, the Trustees expend an annual sum of £20;

(k) For educating Robert Gordon's foundationers and bursars—referred to in sections (a) and (d)—and towards maintaining and managing Robert Gordon's Secondary School, the Trustees pay to the Governors of Robert Gordon's Technical College an annual sum not exceeding £1,100;

(l) The Trustees pay over to the Governors of Robert Gordon's Technical College whatever balance of the net revenues may remain after meeting the foregoing purposes. The Governors are required to apply such balance, in the first place, in making good any deficit arising in connection with the maintenance and carrying on of the primary, intermediate, and secondary departments of Robert Gordon's Secondary School. Should any further balance remain after making good such deficit, the Governors are required to apply it in such proportions as they may from time to time determine towards (1) the expense of the administration, management, and maintenance of the Technical College and (2) the providing of foundations, bursaries, or scholarships in connection with the College, these privilcges to be of such amount and held on such terms and conditions as may from time to time be fixed and determined by the Governors.

Forms of application for the various benefits of the Trust and all information thereanent may be had at the Office of the Trust, 352 King Street, Aberdeen.

and for each additional 6 oz.....½d.

Maximum weight, 2 lbs.; length, 2 ft.; width or depth, 1 ft.

The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

Every newspaper must be posted either without a cover or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

## BLIND LITERATURE.

Papers of any kind, periodicals, and books impressed in "Braile" or other type for the use of the blind may be sent by inland post at the following rates:—

For a packet not exceeding 1 lb. in weight..... ½d.

A parcel should not be posted in a letter box. It should be marked "Parcel Post" and presented at the counter of a Post Office.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a prohibited article, or parcel intended for delivery at an address other than that borne on the parcel itself, are liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

If, however, such a parcel contains perishable matter, it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

### Inland Registration and Compensation.

The Postmaster-General will, subject to the rules as to posting and packing, pay compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon repayment of a fee in addition to the postage. ## General.

Money Orders do not require a receipt stamp.

At the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, but when a good reason can be given for the delay in presenting it, an application for payment, subject to a deduction of 6d. is entertained. In certain foreign countries the period during which a Money Order is valid is less than twelve months—see *Post Office Guide.*

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Post Office is not liable to any further claim.

*Postal Orders.*

Postal Orders for certain fixed sums from 6d. to £1 1s. are now issued in the United Kingdom, and in most British Colonies and Protectorates and certain other places abroad.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Post Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

## Post Office Telegraphs.

### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 1s. for the first 12 words, and 1d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one-half the ordinary tariff. If the addressee of a telegram doubts its accuracy he may have it repeated by paying half the amount paid for its transmission to him. The repetition charges will be refunded if it should turn out that the original telegram was incorrectly transmitted.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus—½ counts as one word, and 109¾ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

### NIGHT TELEGRAPH LETTERS.

Telegraph Letters are now accepted up to 12 midnight at the Head Office to obtain delivery the following morning in towns which have an all-night telegraph service. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. for 36 words or less, and 1d. for every three words beyond 36.

---

### REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a fee of £2 a year, dating from the day of registration. The address must consist of not less than two words, one of which is to be the town or place of delivery.

---

### DELIVERY BY TELEPHONE.

In most cases subscribers to exchanges may arrange to have their telegrams delivered by telephone instead of messenger without further charge.

# DOES IT MATTER ?

## WITH WHICH OFFICE A LIFE POLICY IS EFFECTED———

People unacquainted with the subject sometimes say all Offices "are much the same." **This is not true,** as is indicated by the following letter recently received by us:—

"*The Secretary,* Policy No.
"*National Provident Institution,* 49419
"*London.*

"DEAR SIR,

"I duly received your intimation that when this policy "becomes due on my sixtieth birthday, on 2nd prox., the "amount payable to me will be £410 18s. od., being £250 "Sum Assured and Bonuses of £160 18s. od.

"It may interest you to know that I took out an exactly "similar policy with another Company at the same time, and I "have been advised that it will yield me a payment of £317— "nearly £100 less than yours, although the premiums paid "were practically the same.

"One could scarcely believe that there could be so great a "difference in two similar policies, but the results speak for "themselves, and are an eloquent tribute to the superior "management of your Institution.

"I may say I am very well pleased with your result, and "have decided to take out a new policy with you, and my son "will also join the Institution.

"Yours faithfully,
(Sgd.) "J.B."

## THE EXPLANATION:

No two Companies give the same results, because no two pay the same Bonuses.

The "National Provident" has always had the reputation of being a great Bonus Office. Note the Bonus Additions declared at the last (1922) Division of Profits:—

Whole Life Assurances—£2 per cent. per annum increasing to £3 per cent. at old ages.

Endowment Assurances—
Maturing at age 60, £2 3s. od. per cent. per annum.
" " 65, £2 7s. od. " "

It will pay you to get a quotation from the

RECTOR—

*DOUGLAS G. MILLER, M.A. (Oxon.).*

THE GRAMMAR SCHOOL provides for boys a complete course of study, both Elementary and Secondary, Classical and Modern.

The ancient traditions of the School as a Classical School and feeder of the University are preserved, while boys destined for Commercial pursuits receive thorough training in subjects likely to be of special use to them.

The School contains excellent Laboratories (Chemical, Physical and Natural Science), Art Room, Workshop, Botanical Garden, Gymnasium, Library and Reading-room. The Lower School receives boys of the Infant stage and upwards to Standard V., inclusive. The Modern School is well equipped for the teaching of Science and Art and Manual (Wood and Metal Work). The Senior classes are examined for the Intermediate and Leaving Certificates of the Scottish Education Department, which are accepted in place of Preliminary Examinations for the Universities, etc. Promotions are made at the discretion of the Rector, advised by the Masters. Terminal Reports are issued to parents. Physical Training in Drill and Gymnastics is given by competent Instructors. The situation of the School is open and healthy, within ten minutes of the Railway Station. There is a cricket field, and there are separate playgrounds for the Senior, Lower and Preparatory Departments. The School is one of the Public Secondary Schools of Scotland, and is under the management of the Aberdeen Education Authority.

Information as to Fees, Scholarships, Courses of Study, etc., is given in the School Prospectus, which may be had free on application to the DIRECTOR OF EDUCATION, Education Offices, Union Terrace; or to the RECTOR.
